2. Overview of the goals and expectations of the workshop.

a.) To bring the several documents that all of the Town of Salem taxpayers abide by to a contemporary level of completeness, including, but not limited to the following:

STATE Chapter 33
TOS Chapter 20 Lakes and Beaches,
TOS Ordinance 04 01 12 C,
TOS Ordinance 07 09 10 A,

Items of the Brainstorming Session of Summer 2009

b.) To clarify those areas where there is shortfall and to make a more comprehensive document(s).

3. The process:

a.) To discuss line by line, all those instances where attendees have highlighted areas of concern on the attached documents.

b.) To arrive at viable alternatives which will then be subject to Salem Town Board decision for changes, modifications, and/or additions.

Since this is a new concept and new activity:

- Each Lake District and Homeowner Association associated with the lakes will make notice of this meeting to their own respective groups.
- Any necessary homework on these attachments will have transpired before attendance at the workshop.

- Anyone (not only Lake District officers) prepared to discuss specifics will bring their voice to the table at the appropriate time.
- The attachments will be a guideline of meeting activities.
- Items of concern to the participants should be underlined, so those areas of concern would be reflected in any photocopies. HIGHLIGHTERS will not copy.
- The items of the Brainstorming Session of Summer 2009 will be covered in their appropriate place in the Chapters and/or ordinances and any remaining items from that session will be covered at the end of the process as additions and/or new ordinance considerations.

4. Result.

- To submit to the Salem Town Board a document(s) that they can further discuss, approve, and ratify accordingly.

5. The action.

- To continue the process noted above.
